IN THE SPECIFICATION:

On page 3, after the heading on line 13 and before the text beginning on line 14, please insert the following paragraph:

B1  
--Further scope of applicability of the present invention will become apparent from the detailed description given hereinafter. However, it should be understood that the detailed description and specific examples, while indicating preferred embodiments of the invention, are given by way of illustration only, since various changes and modifications within the spirit and scope of the invention will become apparent to those skilled in the art from this detailed description.--.

On page 3, please amend the paragraph beginning on line 14 as follows:

B2  
--The present invention relates to a catheter set comprising a catheter and a package for storing of the catheter before use and for collecting or discharging urine, wherein an elongated part of the package forms a tube for accommodating of the catheter. The catheter comprises a proximal part to be inserted into the urethra and a distal part in the form of a tubular section having an inner diameter at least as large as the inner diameter of the ~~part of the~~ proximal part of the catheter, and a sealing part
